EXPLANATORY NOTE

Batas Pambansa Blg. 43, as amended provides for the permanent issuance of number plates to all motor vehicles during its lifetime.

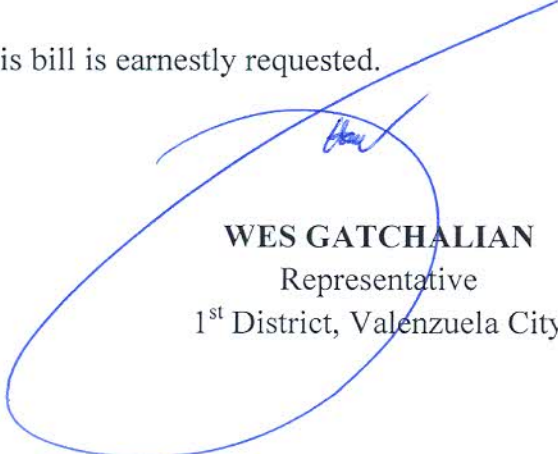

However, the Land Transportation Office in many instances and for laudable and worthy grounds allowed the use of commemorative plates, yet it cannot be discounted that some if not all are used by unscrupulous individuals to escape violations of law.

Commemorative plates are being used widely nowadays, some bears the name of government agencies such as PNP, CIDG, AFP, DOJ, others use government position such as PROSECUTOR, COUNCILOR, KAGAWAD AND LAWYER which clearly suggest that these vehicles are owned by some influential person whom an ordinary traffic or law enforcer would refuse to apprehend in case of violations of law or even the Unified Vehicular Volume Reduction of the Metropolitan Manila Development Authority.

While it is true that the Land Transportation Office had already issued memorandum recalling the use of commemorative plates, such recall would be more meaningful and forceful if it will be accompanied by a legislative act specially because of the fact that the Land Transportation Office is now issuing new number plates under the agency's Motor Vehicle Plates Standardization Program which states that all plates shall be uniform and designed according to international standards.

This bill therefore seeks to prohibit the use, manufacturing, and selling of commemorative plates.

The approval of this bill is earnestly requested.
