HOUSE BILL NO. _____

Introduced by Rep. Winston "Winnie" Castelo

EXPLANATORY NOTE

The Polytechnic University of the Philippines – Quezon City Campus located at Don Fabian Street, Barangay Commonwealth, Quezon City is in need of prioritization if it were to succeed in its role of democratizing access to educational opportunities.

Section 17 of Article II of the 1987 Constitution rightly states, thus: "The State shall give priority to education, science and technology, arts, culture, and sports to foster patriotism and nationalism, accelerate social progress, and promote total human liberation and development."

PUP – Quezon City Campus is located within the 2nd District of Quezon City and the site is in much need of improvement in terms of new infrastructure projects, repair and rehabilitation of existing structures, upgrading of classroom facilities and laboratories as well as centers for specific purposes.

This bill seeks to give highest priority to PUP's focus on fostering high quality campus environment.

Hence, the immediate passage of this bill is most welcome for a polytechnic university that offers high quality education.
