**HOUSE BILL NO. 4074**

**EXPLANATORY NOTE**

This bill seeks to transfer the seats of two (2) new Regional Trial Courts from the Municipality of Alabel, Province of Sarangani, to the Municipalities of Kiamba and Malungon, also in Sarangani.

Republic Act No. 10123 created five (5) new Regional Trial Courts in the Eleventh Judicial Region with seats in the Municipality of Alabel. The concentration of the RTCs in the capital municipality makes them highly inaccessible for the rest of the province. This is particularly so given the unique geography of Sarangani, composed of two areas separated by Sarangani Bay and connected by land only through General Santos City (which is outside the jurisdiction of the province). Kiamba and Malungon are therefore representative municipalities for each of the two separate areas of Sarangani.

Kiamba is a first-class municipality with a population of 61,058 according to the 2015 Census of Population by the Philippine Statistics Authority. A separate RTC *sala* in this municipality would not only benefit Kiamba, but also the adjacent towns of Maitum and Maasim. These three municipalities comprise the eastern portion of the province. Meanwhile, Malungon is also a first-class municipality with a population of 103,604 according to the same census. Together with the municipalities of Alabel, Malapatan, and Glan, they comprise the western portion of Sarangani.

This proposed measure will promote access to, and improve the administration of justice by 1) reducing the caseload of Alabel RTCs; and 2) shortening the travel time and expenses of the litigants who are from the peripheries of the province. Furthermore, since at least two (2) of the five (5) new RTCs mandated by RA 10123 remain unorganized per latest information from the Judicial and Bar Council (JBC), now is the perfect time to transfer these seats before they are finally organized.

In view of the foregoing, the immediate approval of this bill is earnestly sought.
