HOUSE BILL NO. 2523

Introduced by Honorable Roger G. Mercado

EXPLANATORY NOTE

This bill seeks to convert the Pinut-an-Bahay-Liloan provincial road in Brgy. Pinut-an-Bahay, Municipality of Liloan, Province of Southern Leyte, into a national road.

The Pinut-an-Bahay provincial road is a vital link for transporting farm produce of the town such as rice, corn, coconuts, vegetables, and fish to nearby municipalities. However, the said provincial road is now unpassable because of damage due to floods and ordinary wear and tear. The lack of funds of both the province and the municipality is the reason the road cannot be repaired and effectively maintained.

The conversion of this provincial road into a national road will enhance economic activities, afford better employment and stimulate commercial undertakings. Moreover, the responsibility of its maintenance will be transferred to the national government through the Department of Public Works and Highways, thus channeling the resources of the provincial government reserved for the maintenance of the said road to more important projects and programs of the provincial government.

In view of the foregoing, approval of this bill is earnestly recommended.
