

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Constitution Hills, Quezon City

EIGHTEENTH CONGRESS
First Regular Session

House Bill No. 5242

Introduced by REPRESENTATIVE ERIC L. OLIVAREZ

EXPLANATORY NOTE

It is provided by the Constitution that the defense of the state is a prime duty of government, and in the fulfillment of this duty all citizens may be required by law to render personal military or civil service. In relation thereto, it is also provided by the Constitution that the State recognizes the vital role of the youth in nation-building and shall promote and protect their physical, moral, spiritual, intellectual and social well-being. It shall inculcate in the youth patriotism and nationalism, and encourage their involvement in public and civic affairs. Based from the foregoing, it can be seen that two of the State's duties are to defend the State and to promote the overall well-being of the youth.

Through the passage of this Bill, these two duties of the State will be fulfilled. Since the preservation of the State is the obligation of every citizen, it serves only appropriate to institutionalize the mandatory 2-year Basic ROTC program for the students of Grades 11 and 12. This way, not only will the youth be honed into patriotic citizens of our beloved country, but this will also prime young Filipinos to become ready to protect the country, should the need arise.

This Bill intends to institutionalize the Basic ROTC program to students of both private and public institutions in the Philippines who are enrolled in Grades 11 and 12. The mandatory requirement of the Basic ROTC program is aimed to instill patriotism, love of country, moral and spiritual virtues, respect for human rights and adherence to the Constitution.

In view of the foregoing, the passage of this Bill is earnestly sought.
