EXPLANATORY NOTE

As mandated by the constitution, it is the duty of the State to establish and maintain a free public education, to protect and promote the right of citizens to quality education and to take appropriate measures to make education equally accessible to all.

This bill seeks to create the Lingunan National High School, Brgy. Lingunan, Valenzuela City.

Brgy. Lingunan is relatively a big barangay with a population of no less than 21,000 as of 2010 National Census, it has a sizable number of elementary graduates who could pursue their high school education in the same barangay where the students reside.

The school is now complete with its facilities such as, classrooms, activity center, library as provided by the Local Government of Valenzuela City, it is also easily accessible by ordinary mode of transportation.

The establishment therefore of the Lingunan National High School makes high school education more accessible to its barangay residents who will be given better opportunities to continue and pursue their education.
