House Bill No. 0501

Introduced by Hon. Robert Ace S. Barbers

EXPLANATORY NOTE

**AN ACT CREATING THE LAKE MAINIT DEVELOPMENT AUTHORITY,
PRESCRIBING ITS POWERS, FUNCTIONS AND DUTIES, AND
PROVIDING FUNDS THEREOF**

This bill proposes to create the Lake Mainit Development Authority, which shall lead in the management and development of Lake Mainit and its immediate environs.

Lake Mainit, straddling between the provinces of Agusan del Norte and Surigao del Norte, is endowed by nature with rich natural resources that remain to be untapped up to now. Being a sanctuary for fishes, crustaceans, and other marine life, Lake Mainit has become a major host of aquaculture and other livelihood activities for the locals living near its shores. Currently, a hydropower plant is also being constructed using the lake's outflow current as a testament that Lake Mainit can become a major source of power in Mindanao.

The scenic beauty of the lake also suggests of its potential to become a prime lake resort destination that can rival other well-known tourist spots. Its strategic location along the Pan-Philippine Friendship Highway furthermore makes tourism development even more feasible.

With the creation of the Authority, it is envisioned that Lake Mainit will become a major economic engine in Caraga Region and the whole of Mindanao. It shall be a model for sustainable lake development that is anchored on social mobilization and environmental protection.

In view of the foregoing, immediate approval of this bill is earnestly sought.
