HOUSE BILL NO. 0263

Introduced by Hon. Josephine Y. Ramirez Sato

EXPLANATORY NOTE

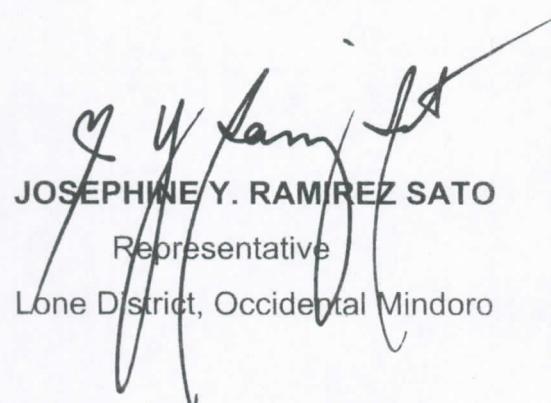

This bill seeks to establish the Special Economic and Freeport Zone in the Municipality of San Jose, Occidental Mindoro. Occidental Mindoro is not only an agricultural haven but an emerging choice area for investors. Dubbed as the "Gateway to the South," thousands of goods and people travel through and from the Visayas and Mindanao thru the province and thus a creation of a Special Economic and Freeport Zone is not only ideal but more importantly evident. It is also gifted with diverse natural resources, progressive infrastructures in transportation, power and an abundant supply of highly technical and skilled manpower and thus continues to be one of the preferred alternatives to the Metro for investments.

Anchoring on the main objective of promoting the countryside as alternative areas for investments which was the vision in the early 90s when most of the Special Economic Zones were created, the bill envisions to create an Ecozone that will alleviate and improve the economic condition of Occidental Mindoro and the nearby provinces. The residents will be assured of local employment opportunities which will hasten the economic growth not only in the area but in the nearby provinces as well. It was to spur the development, through industrialization of the far flung areas in the provinces. It was to uplift the welfare of the rural folks and the same time decongests and arrests the cramming of the people to the cities.

The Economic and Freeport Zone is conceptualized as a self-sustaining industrial, commercial and investment center that will encourage economic growth and accelerate employment generation in the province. It envisions such Economic zone to be operated as a separate customs territory that will provide incentives to ensure free flow and movement of goods and commodities within the area and their expression there from. Likewise, it shall provide tax-based incentives for business operating within its premises. In addition, it shall also provide for non-tax benefits like exchange policies and grant of permanent resident status to investors.

The establishment of a special economic and freeport zone is in line with the government's policy to encourage, promote, induce and accelerate a sound and balanced industrial, economic and social development of the country, the establishment of Occidental Mindoro Special Economic Zone in the Municipalities of San Jose and Magsaysay is earnestly recommended.

In view thereof, early consideration and approval of this bill is earnestly sought.
