**AN ACT REGULATING THE PRACTICE OF THE AGRICULTURE PROFESSION IN THE PHILIPPINES, CREATING FOR THE PURPOSE A PROFESSIONAL REGULATORY BOARD FOR AGRICULTURISTS, AND APPROPRIATING FUNDS THEREFOR**

**EXPLANATORY NOTE**

This bill was first filed during the Second Regular Session of the Seventeenth Congress by Hon. Arthur C. Yap, then representative of the 3<sup>rd</sup> district of Bohol and is similar to a bill filed during the second regular session of the Seventeenth Congress by Hon. Jose T. Panganiban, Jr, then representative of ANAC-IP Party-List.

The enactment of the Agriculture and Fisheries Modernization Act of 1997 (AFMA) (Republic Act No. 8435) paved the way for the drafting of policies, programs and projects and its implementation thereof. These policies, programs and projects aim to aid in the modernization and development of the agriculture and fisheries sector to cope with the fast-paced demands of globalization and for our country to attain food security. However, the success of AFMA depends on the skilled professionals of the agriculture and fisheries sector who shall provide their technical expertise in the drafting and implementation of policies, programs and projects towards the development of the sector.

Pursuant to the policies and objectives of AFMA, under Sec. 75 of its Implementing Rules and Regulations, the Professional Regulation Commission (PRC) through its Resolution No. 2000-663, promulgated the creation of a Board of Agriculture under its supervision and control to oversee the licensing and regulation of the practice of agriculture.

The bill seeks to permanently create a Board of Agriculture, much more to promote and regulate the practice of the agriculture profession. This proposed measure shall ensure the development of competent and well-rounded Licensed Agriculturists whose standards of profession are aligned with the best practices accepted in the global agriculture stage, thereby ensuring the continuing growth and development of the professionals and experts in this field.

In view of the foregoing, the passage of the bill is earnestly sought.
