First Regular Session

HOUSE BILL NO. 4041

Introduced by Representative FERDINAND L. HERNANDEZ

## AN ACT PROVIDING FOR A MAGNA CARTA FOR BARANGAYS

### **EXPLANATORY NOTE**

As the primary planning and implementing unit of government programs, there is a need to introduce necessary improvements on the existing policies governing our Barangays. It is a necessity to develop new measures to strengthen their local autonomy and ensure effective performance of its leaders.

By declaring our barangay officials as regular government employees, we are able to empower them and give due credit for their hard work and dedication to their role as leaders in their respective barangays. Likewise, by raising the current benefits and their appointment to permanent status during the administration of the sangguniang barangay who appointed them, our barangay tanods will be more motivated and will be given rightful compensation for their vital function of maintaining peace and order in our barangays. Through raising the economic and social status of our barangay leaders and barangay tanods, they will be able to effectively perform their function and ensure the improvement of the general welfare of barangay residents.

This bill also seeks to provide every barangay with its fundamental needs such as drinking water, transportation, elementary school, health center, and mandatory share in the taxes collected by other tax-collecting bodies in their jurisdictions. It shall also mandate sponsorship of at least one barangay scholar for any bachelor's degree, helping contribute to the education of our youth.

Ultimately, the bill shall ensure that barangay services are delivered more efficiently, leading to a better quality of life for all.

In view of the foregoing, passage of the bill is earnestly sought.
