CONVERTING THE ROAD STRETCHING FROM BARANGAY TIEMPO AND SITIO BAKLINGAYAN, BARANGAY TABACDA, MUNICIPALITY OF TUBO, ALL OF THE PROVINCE OF ABRA, TO MUNICIPALITY OF SAGADA, MOUNTAIN PROVINCE, INTO A NATIONAL ROAD AND APPROPRIATING FUNDS THEREFOR

EXPLANATORY NOTE

This Bill seeks to convert the road stretching from Barangay Tiempo and Sitio Baklingayan, Barangay Tabacda, Municipality of Tubo, all of the Province of Abra, to Municipality of Sagada, Mountain Province, into a national road.

National roads are important for our country, as they provide primary access to communities and move people, goods, and services across the country. The Province of Abra currently has four (4) national roads, yet there is still a need to enhance roads in various locations in the province. Due to the mountainous terrain of Abra, trade and commerce, while active, are slow due to accessibility issues. Through creation of national road in the Municipality of Tubo, we aim to jumpstart the local economy and industries to compete with neighboring areas. There are many scenic eco-tourism attractions in this municipality, like the Kili Falls and Hot Springs, and Kili Rice Terraces. We aim to promote the municipality through agriculture and tourism,

giving opportunities to the people for a better life through the sustainable and environmentfriendly use of available resources.

Through this measure, we aim to improve accessibility within the Municipality of Tubo and to invite visitors from the neighboring Sagada to also visit what the southern frontiers of Abra has to offer, furthering our goal of integrating them into our vision of a progressive Abra. Limited resources of the provincial government necessitate the inclusion of the maintenance, rehabilitation, and improvement of this road under the infrastructure program of the national government. In view of the foregoing, the immediate passage of this Bill is earnestly sought.
