Republic of the Philippines HOUSE OF REPRESENTATIVES Quezon City

SEVENTEENTH CONGRESS First Regular Session

HOUSE BILL No. 3711

Introduced by REP. JULIETTE T. UY

EXPLANATORY NOTE

This bill seeks to declare the road stretching from the Junction of the national highway in the Municipality of Alubijid, to Lourdes, to the Junction of the national highway in the Municipality of Laguindingan, all of the Province of Misamis Oriental, as a national secondary road.

Alubijid is a town that is a growing provider of airport and commercial related service personnel while continuing to be an agricultural community. It is currently a fourth class municipality with close to 30,000 residents.

Laguindingan is also fourth class municipality of about 24,000 residents and is the site of the Laguindingan international airport that is being upgraded to accommodate a number of international flights in the near future.

The conversion of the said road shall provide an important alternative route for the growing transportation infrastructure needs of the province owing to and from the international airport in Laguindingan.

The improvement of this road is crucial to help hasten the current economic activities and help decongest the current main thoroughfare – the Butuan-Cagayan-Iligan Road (BCIR) – in the continuing development of the province and region.

In view of the foregoing, the immediate passage of this bill is earnestly sought.

Approved,

REP. JULIETTE T. UY
