Republic of the Philippines HOUSE OF REPRESENTATIVES Quezon City

EIGHTEENTH CONGRESSFirst Regular Session

House Bill No. 1237

Introduced by Representative MICAELA S. VIOLAGO

EXPLANATORY NOTE

Under Philippine Charity Sweepstakes Office's (PCSO) Charter (Batas Pambansa Blg. 42 as amended by BP 622), PCSO is the principal government agency for raising and providing for funds for health programs, medical assistance and services and charities of national character. It holds and conducts charity sweepstakes races, lotteries, and other similar activities and engages in health and welfare-related investments, programs, projects and activities to provide for permanent and continuing sources of funds for health programs, including the expansion of existing ones, medical assistance and services, and/or charitable grants.

The bill seeks to make it mandatory and not merely optional for state universities and colleges (SUCs) throughout the country to be provided by the PCSO with ambulances ensuring compliance with all the current requirements in the Ambulance Donation Program of the PCSO. There are more than 500 government-run higher education institutions, of which 436 are state colleges and universities.

An ambulance is an essential service in the university or college community. When there is an imminent risk of death, serious injury or illness to the community, the primary role of all ambulance service is emergency pre-hospital medical care providing life support and immediate patient care until they reach hospital from the place of accident in the university or college. Without an ambulance, it may take medical personnel from the nearest hospital in the local government unit or rural emergency medical service units a longer time to arrive at the scene of the emergency, which can have a significant impact on patient outcomes in the SUCs, including survival rates.

Accordingly, approval of this proposed measure, is strongly recommended.
