AN ACT UPGRADING THE MINIMUM SALARY GRADE LEVEL OF TEACHERS FROM SALARY GRADE 11 TO 19

EXPLANATORY NOTE

Article XIV, Section 5 (5) of the 1987 Constitution expressly provides that:

"The State shall assign the **highest budgetary priority to education** and ensure that teaching will attract and retain its rightful share of the best available talents through **adequate remuneration** and other means of job satisfaction and fulfillment" (emphases supplied).

The plight of our teachers, however, betrays the best intention of the Constitution. Public school teachers are among the most underpaid and/or overworked professionals in our society today. Despite the fact that they are looked upon and heralded as molders of the youth, public school teachers receive a basic salary of Php20,754.00 under Executive Order No. 201. Yet our teachers are considered to be the prime movers of the education system.

If education is a key in the country's global competitiveness, we should raise the quality of education by elevating our teachers' salary grade to a decent level befitting their responsibility as shapers of the young Filipinos' future. In doing so, we would be able to attract and retain its rightful share of the best available talents through adequate remuneration as envisioned by the fundamental law. Hence, the State urgently needs to give priority to their interest and welfare.

To give meaning to the spirit and intent of the foregoing constitutional provision, there is an imperative and indispensable necessity to upgrade the salary grade of our public school teachers.

In view thereof, immediate approval of this bill is earnestly sought
